About This Game

Story

Since the sudden disappearance of one of her Amitié partners at the end of spring, Suoh Shirahane has been left nursing a profound sadness. Though she tries to hide it, Suoh's pain does not go unnoticed by her close companion, Erika Yaegaki, who feels compelled to help her 'bookworm buddy' mend her broken heart.

In the midst of all this a new classmate, Chidori Takasaki, arrives, disrupting Erika's solitary lifestyle. To say that the two of them get off on the wrong foot would be an understatement, but Erika soon learns there's more to Chidori than meets the eye. Can friendship blossom between a sharp-tongued misanthrope and the haughty class diva?

About The Game

Flowers -Le volume sur été- is the second game in the Flowers series of visual novels from Innocent Grey. This time we follow the story of Erika Yaegaki, a familiar face from the first game. Old wounds resurface and new friendships blossom as the girls navigate tense relationships under the blazing summer sun. Your decisions will shape the outcome of the story, with multiple endings to unlock.
